SECTION I – GENERAL INFORMATION

A. STATEMENT OF INTENT
As outlined in more detail in Section II – Scope of Work, this Request for Proposals (RFP) seeks one or more provider(s) of programs that promote resiliency, pro-social behavior, and emotional wellbeing for youth in the San Mateo County juvenile detention center, camps, and community probation services. Programs should be documented or verified through an evidence-based or promising practice. The target start date and term for the proposed services is July 2017 through June 2020, subject to negotiation of a final agreement, with evaluation of program progress towards identified goals and objectives on a quarterly basis.

B. BACKGROUND
The Institutions Division (Division) of the Probation Department protects the public by operating safe, humane, and cost-effective facilities and community supervision of youth in the juvenile justice system. The Division provides custody and programming designed to help youth make positive and healthy choices when they return to the community.

The Institutions Division operates three residential options for court-involved youth.

- **Youth Services Center**: This juvenile detention facility contains an admissions unit, seven living units, a kitchen and dining room, a health and dental clinic, a fully accredited school, and a gym and outdoor recreation area. The capacity of the Center is 180 youth, with an average daily population of 81 in fiscal year 2015-16.

- **Camp Kemp**: Opened in December 2006, the Margaret J. Kemp Camp for Girls provides a residential setting for girls for the provision of gender-responsive programming. Programming is provided to girls who are currently incarcerated and those who have been released. The Camp is a collaborative program involving intensive mental health services and programs designed to address serious behavior problems and girls’ histories of trauma and substance abuse. The capacity of the Camp is 30 youth, with an average daily population of 6 for fiscal year 2015-16.

- **Camp Glenwood**: Established in 1961, the Camp serves high-risk boys who are facing extended detention in the Youth Services Center. Located about 30 miles south of San Mateo in La Honda, the Camp provides a structured residential setting with services addressing the boys’ serious issues around education, behavior, family, substance abuse, and gangs. The capacity of the Camp is 30 youth, with an average daily population of 21 in fiscal year 2015-16.
Mission: The mission of the San Mateo County Probation Department is to enhance community safety, reduce crime, and assist the victims of crime through offender accountability and rehabilitation.

Vision: The vision of the San Mateo County Probation Department is to be a proactive and innovative agency which facilitates positive changes in offenders’ behaviors that reduce recidivism and foster a law-abiding lifestyle.

C. THE REQUEST FOR PROPOSAL PROCESS
This RFP seeks the submission of proposals to provide services from any and all interested and qualified proposers. The County of San Mateo seeks by way of this RFP to obtain the listed services in a manner that maximizes the quality of services while also maximizing value to the County and, by extension, the citizens of the County. Proposers must be able to show that they are capable of performing the services requested. Such evidence includes, but is not limited to, the respondent’s demonstrated competency and experience in delivering services of a similar scope and type and local availability of the proposer’s personnel and equipment resources.

SECTION II – SCOPE OF WORK

A. DESCRIPTION
This Request for Proposals is for evidence-based or promising practice youth programs that promote resiliency, pro-social behavior, and emotional wellbeing as well as decrease youth involvement in the juvenile justice system. All services will take place in the three venues referenced above: The Youth Services Center, Camp Kemp, and Camp Glenwood.

  Programs that raise awareness and provide information to address recruitment, transportation, and harboring of youth by means of threat, use of force or other forms of coercion concerning sexual exploitation and labor trafficking. Programs should be survivor-lead and trauma-informed. Programming should also focus (at a minimum) on family/guardianship connections, educational assistance, vocational training, employment assistance, substance use interventions, and housing support and assistance for youth who cannot live with relatives and are transitioning to adulthood. In addition, programming should be individualized to assist with developmental asset deficits.

C. REPORTING REQUIREMENTS

All programs funded through this Youth Offender Block Grant (YOBG) funding stream are required to participate in an annual evaluation, with two main components:

1. Units of Service (Program Level Data)
   Units of service data help the department understand programmatic impacts on youth. Grantees are required to collect (at a minimum) the following individual client-level data on all program participants receiving direct services through the YOBG funding stream. Grantees are also required to submit this data to Probation on a quarterly basis.

2. Child Adolescent Needs and Strengths (CANS)
   The Child Adolescent Needs and Strengths (CANS) survey is a multi-purpose tool developed for children’s services to support decision-making including level of care and service planning, to facilitate quality improvement initiatives, and to allow for the monitoring of outcomes of services. The CANS consists of multiple items scored on a 4-point scale (0 to 3, with a score of 2 or 3 indicating an actionable need) and grouped into stand-alone modules—e.g., Risk Behaviors, Strengths, Behavioral/Emotional Needs, Trauma. Each program typically completes a unique set of CANS items and modules according to the specific fit with their programs and clientele. Community-based organizations must administer the CANS once (at intake) and at six-month intervals until the youth is discharged from the program for all youth enrolled in their YOBG funded programs who receive at least four service contacts.

There is no cost to use the CANS; however, there is a training component that all providers must complete prior to administering to program participants. Providers administering the CANS are required to undergo training and become certified. San Mateo County will provide one training in 2017 in which all selected programs will be given the opportunity to train staff on how to administer this survey. In general this training takes one-day, with an annual recertification process. For information on the CANS please visit http://praedfoundation.org.
your program has staff already trained on the CANS, please identify them in the corresponding section of Exhibit E.

D. LENGTH OF AGREEMENT
The anticipated duration of the agreement will be for three (3) years, with the term tentatively to begin July 2017 and end June 2020.

E. FUNDING
The total amount of funds available for these services is $460,000 per year. Probation shall determine with selected providers the facilities for delivery of services. Agencies applying for more than one service may submit one proposal to include multiple services. Applicants may request all or a portion of funds. The Probation Department anticipates making multiple awards with the available funds.

F. ADDITIONAL REQUIREMENTS/CONSIDERATIONS
1. Fingerprinting/Background Checks
   Selected contractor(s) will be subject to fingerprinting requirements and background checks.

2. Living Wage Ordinance
   On November 1, 2016, the San Mateo County Board of Supervisors approved a five-year pilot program establishing a living wage of $14 per hour effective January 1, 2017 and increasing up to $17 per hour by July 1, 2019 for all service contractors and subcontractors doing business with the County.

The San Mateo County Living Wage Ordinance (LWO) requires that contractors and subcontractors providing services to the County shall pay “covered employees” — any employee permanently or temporarily employed by a contractor or subcontractor to provide services under a covered contract — as defined by the LWO, no less than the Living Wage, which shall be set and adjusted according to the following schedule:

<table>
<thead>
<tr>
<th>Effective Date</th>

</tr>
</tbody>
</table>
After a wage of seventeen dollars ($17.00) per hour is reached, the Living Wage shall increase annually at the same rate as the Consumer Price Index for urban consumers (CPI-U) for the San Francisco-Oakland-San Jose metropolitan statistical area then in effect. A change in Living Wage based on CPI-U shall not be negative and shall not exceed three-and-one-half percent (3.5%).

The LWO also requires that contractors and subcontractors maintain documentation demonstrating every covered employee is being paid the Living Wage while providing services pursuant to the covered contract. Such documentation must be retained for at least two (2) years following the completion or termination of the covered contract.

Proposers are encouraged to read the full text of the LWO found here: http://sanmateo.siretechnologies.com/sirepub/agdocs.aspx?doctype=agenda&itemid=25125

All proposers are required to verify that they will comply with the requirements of the LWO in their Statement of Compliance with County Contractual Requirements (see Section V D, TAB 9). Failure to comply with the LWO shall constitute a material breach of the terms of the covered contract.

SECTION III – GENERAL TERMS AND CONDITIONS

Read all Instructions. Read the entire RFP and all enclosures before preparing your proposal.

Proposal Costs. Costs for developing proposals are entirely the responsibility of the proposer and shall not be charged to the County or otherwise reimbursed by the County.

Proposal Becomes County Property. The RFP and all materials submitted in response to this RFP will become the property of the County.

Questions and Responses Process. Submit all questions relating to this RFP to the designated questions field associated with this RFP at publicpurchase.com; instructions are provided in Exhibit A.

All questions must be received no later than 4:00 p.m. on January 17, 2017.

All questions and responses will be posted to publicpurchase.com.
If changes to the RFP are warranted, they will be posted to the publicpurchase.com website. It is the responsibility of each proposer to check the website for changes and/or clarifications to the RFP prior to submitting a response. A proposer's failure to do so will not provide a ground for protest.

**Proposer Information Conference.** All interested parties are invited to participate in a non-mandatory informational session that will be held as follows:

January 10, 2017  
10:00 a.m. to 1:00 p.m.  
Youth Services Center: Training Room  
222 Paul Scannell Drive  
San Mateo, CA 94402

During the Proposer Information Conference, the County may respond to questions received prior to the Conference. The County may choose to provide additional information following the Conference.

**Alteration of Terms and Clarifications.** No alteration or variation of the terms of this RFP is valid unless made or confirmed in writing by the County. Likewise, oral understandings or agreements not incorporated into the final contract are not binding on the County.

If a proposer discovers any ambiguity, conflict, discrepancy, omission, or other error in the RFP, the proposer must immediately notify the County of such error in writing and request modification or clarification of the document. If a proposer fails to notify the County of an error in the RFP prior to the date fixed for submission, the proposer shall submit a response at his/her own risk, and if the proposer enters into a contract, the proposer shall not be entitled to additional compensation or time by reason of the error or its later correction.

Modifications or clarifications to the RFP will be posted to the publicpurchase.com website as outlined above without divulging the source of the request for same. The County may, at its discretion, also give electronic notice by email to all parties who have notified the County of their electronic contact information in response to this RFP, but no party that fails to receive email notice has any basis for protest given that all clarifications will be available online. It is the obligation of all proposing parties to check the publicpurchase.com website for updates regarding the RFP if they wish to be kept advised of clarifications prior to submitting a proposal.

**Selection of Provider(s).** The selection of a provider will be memorialized in the form of a “County Agreement with Independent Contractor” (see the enclosed sample of the Standard Contract Template), authorized by a resolution of the County Board of Supervisors and signed by both parties.
The County reserves the right to reject any or all proposals without penalty. The County’s waiver of any deviation in the proposal shall in no way modify the RFP documents or excuse the proposer from full compliance with any eventual contract.

Once a provider is selected, the Agreement with that provider must still be negotiated and submitted to the San Mateo County Board of Supervisors for approval, and there is no contractual agreement between the selected provider unless and until the Board of Supervisors accepts and signs the Agreement. Selection of a proposal for negotiation of contract terms and eventual submission to County leadership by way of an Agreement does not constitute an offer, and proposers acknowledge by submission of a proposal that no agreement is final unless and until approved by the Board of Supervisors.

**Equal Benefits.** Contractor shall comply with all laws relating to the provision of benefits to its employees and their spouses or domestic partners, including, but not limited to, such laws prohibiting discrimination in the provision of such benefits on the basis that the spouse or domestic partner of the Contractor’s employee is of the same or opposite sex as the employee.

**Jury Duty.** The contractor must comply with the County Ordinance requiring that the contractor have and adhere to a written policy that provides its full-time employees who live in San Mateo County with no fewer than five days of regular pay for actual jury service in San Mateo County. This policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employee’s regular pay the fees received for jury service. See the Jury Service Requirements Chapter 2.85 of the Ordinance Code of San Mateo County enclosure. If the proposer has no employees that qualify for jury duty in San Mateo County, the proposer may satisfy this requirement by providing the County with written confirmation of the fact that (1) it has no such employees and (2) it will comply with the jury service pay ordinance with respect to any future qualifying employees.

**Insurance.** The County has certain insurance requirements that must be met. In most situations those requirements include the following: the contractor must carry $1,000,000 or more in comprehensive general liability insurance; the contractor must carry motor vehicle liability insurance, and if travel by car is a part of the services being requested, the amount of such coverage must be at least $1,000,000; if the contractor has two or more employees, the contractor must carry the statutory limit for workers’ compensation insurance; if the contractor or its employees maintain a license to perform professional services (e.g., architectural, legal, medical, psychological, etc.), the contractor must carry professional liability insurance; and generally the contractor must name the County and its officers, agents, employees, and servants as additional insured on any such policies (except workers compensation). Depending on the nature of the work being performed, additional requirements may need to be met.
Incomplete Proposals May be Rejected. If a proposer fails to satisfy any of the requirements identified in this RFP, the proposer may be considered non-responsive and the proposal may be rejected.

Contact With County Employees. As of the issuance date of this RFP and continuing until the final date for submission of proposals, all proposers are specifically directed not to hold meetings, conferences, or technical discussions with any County employee for purposes of responding to this RFP except as otherwise permitted by this RFP. Any proposer found to be acting in any way contrary to this directive may be disqualified from entering into any contract that may result from this RFP.

Proposers should submit questions or concerns about the process as stated above. The proposer should not otherwise ask any County employees questions about the RFP or related issues, either orally or by written communication, unless invited to do so.

Group Purchasing Organization Participation. Proposers should keep in mind that the County is a participant in more than one Group Purchasing Organization (GPO), and this RFP is open to those who provide services under a GPO. Proposers should ensure their proposals are as competitive as possible while also providing the highest quality services in order to be considered a viable provider for the listed services. The County reserves the right to use a GPO provider if doing so is in the County’s best interest, as determined solely by the County, even if that provider does not submit a proposal in response to this RFP.

Travel Costs. If the services requested will require you or your employees to travel to the Bay Area, and if the County opts to permit travel expenses to be reimbursed, there are some general guidelines regarding reimbursement rates that will apply. In general, the following restrictions should be kept in mind: reimbursement for the actual cost of lodging, meals, and incidental expenses (“LM&I Expenses”) is limited to the then-current Continental United States (“CONUS”) rate for the location of the work being done (San Mateo/Foster City/Belmont, California), as set forth in the Code of Federal Regulations and as listed by the website of the U.S. General Services Administration (available online by searching www.gsa.gov for the term ‘CONUS’); airline and car rental travel expenses (“Air & Car Expenses”) are limited to reasonable rates obtained through a cost-competitive travel service (for example, a travel or car-rental website), with air travel restricted to coach fares and car rental rates restricted to the mid-level size range or below; and certain other reasonable travel expenses (“Other Expenses”) such as taxi fares, parking costs, train or subway costs, etc. may be reimbursable on an actual-cost basis. You should not assume that the County will permit travel from the Bay Area to be reimbursed, and your proposal should include such travel costs if applicable. Travel costs should be minimized or eliminated in order for a proposal to be competitive.
**Miscellaneous.** This RFP is not a commitment or contract of any kind. The County reserves the right to pursue any and/or all ideas generated by this RFP. The County reserves the right to reject any and all proposals and/or terminate the RFP process if deemed in the best interest of the County. Further, while every effort has been made to ensure the information presented in this RFP is accurate and thorough, the County assumes no liability for any unintentional errors or omissions in this document. The County reserves the right to waive or modify any requirements of this RFP when it determines that doing so is in the best interest of the County. Finally, the County may revise or clarify aspects of the required services after proposals are submitted by communicating directly to some or all of the providers that submitted proposals.

**SECTION IV – REQUEST FOR PROPOSALS PROCEDURE**

D. CONFIDENTIALITY OF PROPOSALS

California Government Code Sections 6250 et seq. (the “California Public Records Act” or the “Act”) defines a public record as any writing containing information relating to the conduct of the public business. The Act provides that public records shall be disclosed upon written request and that any citizen has a right to inspect any public record unless the document is exempted from disclosure. The materials submitted in response to this RFP are subject to the California Public Records Act.

Be advised that any contract that eventually arises from this RFP is a public record in its entirety. Also, all information submitted in response to this RFP is itself a public record without exception. Submission of any materials in response to this RFP constitutes a waiver by the submitting party of any claim that the information is protected from disclosure. By submitting materials, (1) you are consenting to
release of such materials by the County if requested under the Public Records Act without further notice to you and (2) you agree to indemnify and hold harmless the County for release of such information.

If the County receives a request for any portion of a document submitted in response to this RFP, the County will not assert any privileges that may exist on behalf of the person or entity submitting the proposal, and the County reserves the right to disclose the requested materials without notice to the party who originally submitted the requested material. To the extent consistent with the Public Records Act and applicable case law interpreting those provisions, the County and/or its officers, agents, and employees retain discretion to release or withhold any information submitted in response to this RFP.

Submission of a proposal constitutes a complete waiver of any claims whatsoever against the County and/or its officers, agents, or employees that the County has violated a proposer's right to privacy, disclosed trade secrets, or caused any damage by allowing the proposal to be inspected.

E. PROPOSAL EVALUATION

All proposals received will be evaluated by an RFP Evaluation Committee. During the evaluation process, the County may require a proposer's representative to answer specific questions orally and/or in writing. The County may also require a visit to the proposer's offices, other field visits or observations by County representatives, or demonstrations as part of the overall RFP evaluation. Once a finalist or group of finalists is selected, additional interactions or information may be required. The most qualified individual or firm will be recommended by the RFP Evaluation Committee based on the overall strength of each proposal, and the evaluation is not restricted to considerations of any single factor such as cost.

Responses to this RFP must adhere to the format for proposals detailed in Section V - PROPOSAL SUBMISSION REQUIREMENTS. The criteria used as a guideline in the evaluation will include, but not be limited to, the following:

- Qualifications and experience of the entity, including capability and experience of key personnel
- Experience with other public or private agencies to provide these services (See Exhibit B)
- Proposed approach, including clarity of understanding of the scope of services to be provided and appropriateness of the proposed solution/services
- Customer service
- History of successfully performing services for public or private agencies
- Ability to meet any required timelines or other requirements
- Claims and violations against you or your organization
• Cost to the County for the primary services described by this RFP
• References
• Compliance with County RFP and contractual requirements

The County may consider any other criteria it deems relevant, and the Evaluation Committee is free to make any recommendations it deems to be in the best interest of the County. Inaccuracy of any information supplied within a proposal or other errors constitute grounds for rejection of the proposal. However, the County may, in its sole discretion, correct errors or contact a proposer for clarification.

Note that the County reserves the right to evaluate proposals solely based on each provider’s written submission. In relation to written materials, evaluation will be performed only on the material included directly in the proposal itself unless otherwise indicated or requested by the County. Your proposal must be complete without relying on external websites, sales brochures, marketing materials or white papers.

The County reserves the right to accept proposals other than those with lowest costs.

F. PROPOSAL RECOMMENDATION
The Evaluation Committee will recommend a provider or providers or may recommend that the proposals be rejected. The County will then make its own decision as to whether to accept or reject the recommendations from the Evaluation Committee. Ultimate acceptance or rejection of the recommended proposal and execution of a contractual agreement is the independent prerogative of the County, notwithstanding any recommendations made by the Evaluation Committee. The County reserves the right to negotiate with any provider to finalize an agreement in relation to the proposer’s response.

G. NOTICE TO PROPOSERS
The County is not required to give notice to proposers in any specific format or on any particular timeline. At some point prior to execution of a final agreement for the requested services, the County will notify those who submitted proposals of their non-selection. Proposers may be notified at different times depending on the needs of the County.

H. PROTEST PROCESS
If a proposer desires to protest the selection decision, the proposer must submit by facsimile or email a written protest within five (5) business days after the delivery of the notice about the decision. The written protest should be submitted to the Management Analyst as outlined below. Protests received after the deadline will not be accepted. Protests must be in writing, must include the name and address of the proposer and the RFP number, and must state all the specific grounds for the protest. A protest that merely addresses a single aspect of the selected proposal
(for example, comparing the cost of the selected proposal in relation to the non-selected proposal) is not sufficient to support a protest. A successful protest will include sufficient evidence and analysis to support a conclusion that the selected proposal, taken as a whole, is an inferior proposal.

The County will respond to a protest within ten (10) business days of receiving it, and the County may, at its election, set up a meeting with the proposer to discuss the concerns raised by the protest. The decision of the County will be final. The protest letter must be sent as follows:

Ashnita Triolo, Management Analyst
atriolo@smcgov.org

C. SPECIFIED CONTENT AND DETAILED SEQUENCE OF INFORMATION IN THE RFP

Each proposal should include sections addressing the following information in the order shown in the following section. The proposer should be sure to include all information that it feels will enable the Evaluation Committee and, ultimately, the County to make a decision. Failure of the proposer to provide specific, detailed information may result in its proposal being rejected in favor of a sufficiently-detailed proposal. Any necessary exhibits or other information, including information not specifically requested by this RFP but that you feel would be helpful, should be attached to the end of the proposal. The party submitting the materials should keep in mind the limitations on confidential information described in Section IV.

8) All other provisions of the standard contract

In addition, the proposer should include a statement that it will agree to have any disputes regarding the contract venued in San Mateo County or Northern District of California.
The proposal must state any objections to any terms in the County’s contract template and provide an explanation for the inability to comply with the required term(s). If no objections are stated, the County will assume the proposer is prepared to sign the County standard contract template as-is.

**NOTE:** The sample Standard Contract Template enclosed with this RFP is a template and does not constitute the final agreement to be prepared for the selected service provider. Do not insert any information or attempt to complete the enclosed sample contract template. Once a provider is selected, the County will work with the selected provider to draft a provider-specific contract using the template. 3. Please complete the following for each direct service provided:
Exhibit D: *Budget Allocation*

**INSTRUCTIONS**

This document (Exhibit D) provides instructions and budget forms required for RFP Number 2017-001: Youth Activities and Mental Health. Please follow the instructions below in completing the Budget Template. You will be asked to provide costs for each direct service component, indirect service component, and direct operating costs for each fiscal year. A sample completed budget is provided for illustration. **Please double-check your math! Formulas are provided for ease of calculation but it is the submitters' responsibility to ensure that all numbers are accurate!**

**Getting Started**

1. Download the excel templates. These instructions are also included in the spreadsheets.
2. Go to the *Budget Template* tab. Enter the name of your program at the top. [Tip: Save your file with a different file name to preserve a blank template.]

**Section A. Direct Personnel Costs**

*General:* Each line item consists of a direct service component of your program (e.g., "individual counseling"). The amount for each line item is automatically calculated as the product of the number of staff, the dollar rate (per hour per staff member), and the number of projected hours. You will be asked to project the number of clients served and hours of service provided for each fiscal year (FY).

3. Enter each of your *service components* in column A (these should match the services identified in Exhibit C).
4. Enter the *number of staff* required to provide the service (i.e., how many staff are needed to provide a single hour of service). This is **not** the number of individual staff members providing the service at your program or agency. For example, you may employ 6 counselors in your program, but only 1 is needed to provide a single hour of individual counseling; thus, "1" should go in column 2. Similarly, a group service may always require 2 or 3 staff to provide each hour, so you would enter 2 or 3 in column B.
5. Enter the dollar *rate for a single staff member* in column C (this rate will be multiplied by the number of staff). If two or more staff members are needed to provide the service and they have different rates, please provide the average rate.
6. In column E, enter the *number of projected clients* and *number of projected hours* for FY18 in the cells indicated. Repeat for FY19 (column F) and FY20 (column G).
7. Check that the service component subtotals (rows 8, 11, 14, etc.) are calculating correctly. Check that the project total column (H) is correct. Check that your direct personnel costs subtotal (row 30) is correct.

8. Indirect costs will only be applied to section A and are limited to a maximum of 10%. Please enter your indirect cost rate (if any) in column C, row 31. Please make sure this shows up as a percentage and that the amounts are calculating correctly in row 31, columns E-G. Double-check that your direct personnel costs total (row 32) is correct.

Section B. Indirect Personnel Costs
General: This section is intended for indirect services that support your direct services (e.g., data collection and evaluation, supervision, etc.). The amounts are calculated in the same way as Section A (i.e., the product of the number of staff, the dollar rate and the number of projected hours). In this section, however, you will not be asked to project number of clients.

9. Enter the indirect services component in Column A. Note that "Data Collection and Evaluation" is already entered in row 36.

10. Following the instructions 4-7 above, enter the number of staff, rate and projected hours for each indirect services line item. Check that all subtotals and totals are correct.

Section C. Direct Operating Costs
General: This section is intended for direct costs of operating your program (e.g., food, supplies, other materials, etc.).

11. Enter the description of each direct cost component in column A.

12. Enter the total budget amount for each fiscal year in columns E-G. Check that totals are calculating correctly.

Total Program Budget
13. Check that totals from sections A, B and C above are carried down correctly into rows 53-56. Check that your total program budget is correct.

Other Notes
If you need more rows in a section, please be aware that altering the template will likely affect the auto-calculation formulas. Do not change the general structure of the budget (i.e., do not add new sections or change the way amounts are determined). Again, please make sure that you double-check all calculations and ensure your numbers are correct before submitting.
Exhibit E: *Statement of Capacity to Collect Data*

1. List method(s) by which your agency currently tracks Units of Service (Program Level Data). This may include databases and/or software.

2. Please list any staff currently trained to a.) administer the CANS with youth b.) train staff how to administer the CANS with youth.

This Agreement is entered into this _____ day of _______________, 20___, by and between the County of San Mateo, a political subdivision of the state of California, hereinafter called “County,” and [Insert contractor legal name here], hereinafter called “Contractor.”

Whereas, pursuant to Section 31000 of the California Government Code, County may contract with independent contractors for the furnishing of such services to or for County or any Department thereof; and

Whereas, it is necessary and desirable that Contractor be retained for the purpose of [Enter information here].

Now, therefore, it is agreed by the parties to this Agreement as follows:

1. **Exhibits and Attachments**

The following exhibits and attachments are attached to this Agreement and incorporated into this Agreement by this reference:

   - Exhibit A—Services
   - Exhibit B—Payments and Rates
   - Attachment H—HIPAA Business Associate Requirements
   - Attachment I—§ 504 Compliance
   - Attachment IP – Intellectual Property

2. **Services to be performed by Contractor**

In consideration of the payments set forth in this Agreement and in Exhibit B, Contractor shall perform services for County in accordance with the terms, conditions, and specifications set forth in this Agreement and in Exhibit A.

3. **Payments**

In consideration of the services provided by Contractor in accordance with all terms, conditions, and specifications set forth in this Agreement and in Exhibit A, County shall make payment to Contractor based on the rates and in the manner specified in Exhibit B. County reserves the right to withhold payment if County determines that the quantity or quality of the work performed is unacceptable. In no event shall County’s total fiscal obligation under this Agreement exceed [write out amount] ($Amount). In the event that the County makes any advance payments, Contractor agrees to refund any amounts in excess of the amount owed by the County at the time of contract termination or expiration. Contractor is not entitled to payment for work not performed as required by this agreement.

4. **Term**

Subject to compliance with all terms and conditions, the term of this Agreement shall be from [Month and day], 20[last 2 digits of start year], through [Month and day], 20[last 2 digits of end year].
5. **Termination**

This Agreement may be terminated by Contractor or by the [Title of County Department Head] or his/her designee at any time without a requirement of good cause upon thirty (30) days’ advance written notice to the other party. Subject to availability of funding, Contractor shall be entitled to receive payment for work/services provided prior to termination of the Agreement. Such payment shall be that prorated portion of the full payment determined by comparing the work/services actually completed to the work/services required by the Agreement.

County may terminate this Agreement or a portion of the services referenced in the Attachments and Exhibits based upon the unavailability of Federal, State, or County funds by providing written notice to Contractor as soon as is reasonably possible after County learns of said unavailability of outside funding.

County may terminate this Agreement for cause. In order to terminate for cause, County must first give Contractor notice of the alleged breach. Contractor shall have five business days after receipt of such notice to respond and a total of ten calendar days after receipt of such notice to cure the alleged breach. If Contractor fails to cure the breach within this period, County may immediately terminate this Agreement without further action. The option available in this paragraph is separate from the ability to terminate without cause with appropriate notice described above. In the event that County provides notice of an alleged breach pursuant to this section, County may, in extreme circumstances, immediately suspend performance of services and payment under this Agreement pending the resolution of the process described in this paragraph. County has sole discretion to determine what constitutes an extreme circumstance for purposes of this paragraph, and County shall use reasonable judgment in making that determination.

6. **Contract Materials**

At the end of this Agreement, or in the event of termination, all finished or unfinished documents, data, studies, maps, photographs, reports, and other written materials (collectively referred to as “contract materials”) prepared by Contractor under this Agreement shall become the property of County and shall be promptly delivered to County. Upon termination, Contractor may make and retain a copy of such contract materials if permitted by law.

7. **Relationship of Parties**

Contractor agrees and understands that the work/services performed under this Agreement are performed as an independent contractor and not as an employee of County and that neither Contractor nor its employees acquire any of the rights, privileges, powers, or advantages of County employees.

8. **Hold Harmless**

   a. **General Hold Harmless**

Contractor shall indemnify and save harmless County and its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description resulting from this Agreement, the performance of any work or services required of Contractor under this Agreement, or payments made pursuant to this Agreement brought for, or on account of, any of the following:

   (A) injuries to or death of any person, including Contractor or its employees/officers/agents;

   (B) damage to any property of any kind whatsoever and to whomsoever belonging;
(C) any sanctions, penalties, or claims of damages resulting from Contractor’s failure to comply, if applicable, with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended; or

(D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County and/or its officers, agents, employees, or servants. However, Contractor’s duty to indemnify and save harmless under this Section shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

b. Intellectual Property Indemnification

Contractor hereby certifies that it owns, controls, and/or licenses and retains all right, title, and/or interest in and to any intellectual property it uses in relation to this Agreement, including the design, look, feel, features, source code, content, and/or other technology relating to any part of the services it provides under this Agreement and including all related patents, inventions, trademarks, and copyrights, all applications therefor, and all trade names, service marks, know how, and trade secrets (collectively referred to as “IP Rights”) except as otherwise noted by this Agreement.

Contractor warrants that the services it provides under this Agreement do not infringe, violate, trespass, or constitute the unauthorized use or misappropriation of any IP Rights of any third party. Contractor shall defend, indemnify, and hold harmless County from and against all liabilities, costs, damages, losses, and expenses (including reasonable attorney fees) arising out of or related to any claim by a third party that the services provided under this Agreement infringe or violate any third-party’s IP Rights provided any such right is enforceable in the United States. Contractor’s duty to defend, indemnify, and hold harmless under this Section applies only provided that: (a) County notifies Contractor promptly in writing of any notice of any such third-party claim; (b) County cooperates with Contractor, at Contractor’s expense, in all reasonable respects in connection with the investigation and defense of any such third-party claim; (c) Contractor retains sole control of the defense of any action on any such claim and all negotiations for its settlement or compromise (provided Contractor shall not have the right to settle any criminal action, suit, or proceeding without County’s prior written consent, not to be unreasonably withheld); and provided further that any settlement permitted under this Section shall not impose any financial or other obligation on County, impair any right of County, or contain any stipulation, admission, or acknowledgement of wrongdoing on the part of County without County’s prior written consent, not to be unreasonably withheld; and (d) should services under this Agreement become, or in Contractor’s opinion be likely to become, the subject of such a claim, or in the event such a third party claim or threatened claim causes County’s reasonable use of the services under this Agreement to be seriously endangered or disrupted, Contractor shall, at Contractor’s option and expense, either: (i) procure for County the right to continue using the services without infringement or (ii) replace or modify the services so that they become non-infringing but remain functionally equivalent.

Notwithstanding anything in this Section to the contrary, Contractor will have no obligation or liability to County under this Section to the extent any otherwise covered claim is based upon: (a) any aspects of the services under this Agreement which have been modified by or for County (other than modification performed by, or at the direction of, Contractor) in such a way as to cause the alleged infringement at issue; and/or (b) any aspects of the services under this Agreement which have been used by County in a manner prohibited by this Agreement.
The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.
